

Social Media Policy:

Grow Warwood Pride is a group centered around positivity and the belief that anything that we put our efforts to can be improved upon. We are all neighbors, so this group should be neighborly in its communications between members.

The following types of posts/comments will be approved:

1. Of benefit to the Warwood community
 - a. Traffic updates, city/community announcements, ask for help from a resident
2. Shedding light on an issue in the community
 - a. Vandalism, informative to City of Wheeling/residents
3. Ideas for improvement of the community
 - a. Negative opinions/thoughts should be followed by a suggestion for improvement
4. Opportunities for individuals in the community to interact/work together for common goals
 - a. Community=sponsored events/news

The following types of posts/comments will not be approved and are subject to removal of post or person from the group:

1. Strongly polarizing, political, negative banter that incites back and forth negativity.
2. Private sales post (any mention of selling anything for private gain will be unapproved)
 - a. This does not include groups/organizations in Warwood for fundraising purposes
 - b. Exceptions may be made to welcome new businesses to Warwood
3. Name calling, internet trolling, obscene language, or other language that does not support the benefit/improvement of Warwood and its neighboring communities.

We welcome interactive communication between members in a way that supports this goal.

Warwood Farmers Market Social Media Policy:

The Warwood Farmers Market is a keystone project of Grow Warwood Pride, a group centered around positive ideas and actions to benefit the Warwood community. The Grow Warwood Pride social media policy states:

The following types of posts/comments will be approved:

1. Of benefit to the Warwood community
 - a. Traffic updates, city/community announcements, ask for help from a resident
2. Shedding light on an issue in the community
 - a. Vandalism, informative to City of Wheeling/residents
3. Ideas for improvement of the community
 - a. Negative opinions/thoughts should be followed by a suggestion for improvement
4. Opportunities for individuals in the community to interact/work together for common goals
 - a. Community=sponsored events/news

The following types of posts/comments will not be approved and are subject to removal of post or person from the group:

1. Strongly polarizing, political, negative banter that incites back and forth negativity.
2. Private sales post (any mention of selling anything for private gain will be unapproved)*
 - a. This does not include groups/organizations in Warwood for fundraising purposes
 - b. Exceptions will be made to welcome new businesses to Warwood
3. Name calling, internet trolling, obscene language, or other language that does not support the benefit/improvement of Warwood and its neighboring communities.

*Note: From time to time, individual vendors will be showcased in order to promote and support attendance in the market. Special sales or offers in these circumstances will be allowed to benefit the market as a whole.

This Facebook group is to promote the activities and vendors in the Warwood Farmers Market during the market season, from June to October. We welcome interactive communication between members in a way that supports this goal.
